

ABOUT QUICKCABLE

QuickCable develops, manufactures and sells battery and electrical connectors, cable, tools and related products for commercial and industrial equipment that are battery-started, battery-powered or uses batteries to condition or store electric power. QuickCable is the market leader in North America, providing the best value and service, in the industry.

OUR CUSTOMERS

We will provide products and services that give our customers the best value in the marketplace. We will be a single source for our product category. We will provide a business system where our customers can easily and quickly order, distribute and use our products.

OUR PEOPLE

We cultivate an environment of training, recognition and advancement for outstanding, dedicated individuals who share our mission and work together as a team. We value job security and workplace safety.

OUR RELATIONSHIPS

We value our relationships with customers, employees, suppliers, vendors and communities in which we operate. These relationships are based on integrity and trust. Our commitment to the environment will be reflected in our procedures and products.
